BEST MILITARY DIORAMS

BEST SHIPS

CIVIL BEST

BEST FIGURE

BEST FANTASY

BEST SCI-FI

BEST WARHAMMER

AWARD

intended for the best Italeri model presented in each category without distinction of scale

NOTE

MASTER: Those who master the most advanced techniques and have a level of achievement equal to the best examples appreciable in national and international competitions.

STANDARD: Those who have not achieved these results, but produce works of a good standard in terms of historical modeling accuracy and overall yield.

Or those who have a basic level, with limited experience, who have not yet obtained recognition in national and international events.

FIGURES definition of PAINTING: Only the painting of the subject is judged without taking into consideration any modifications and/or transformations.

FIGURE OPEN definition: The complete realization of the model or the substantial conversion is judged. Box dioramas are also judged in this category.

SCENES definition: Small-sized work with half to a maximum of three figures on the floor.

CIVIL DIORAMS definition: Works featuring scenes of cars, trucks, motorbikes or earth-moving vehicles with or without figures are permitted.

Works that present moments of present or past daily life with or without figures are permitted.

Reconstruction of monuments or historic buildings are permitted.

Maximum size accepted with the longest side not exceeding 60 centimetres.

SAFETY AND CONTROL

The models will be exhibited in a closed and duly controlled environment, but will not be covered by insurance.

The Organizing Committee will ensure adequate supervision.

We decline any responsibility in case of theft or any other event that could damage the models on display.

Once the placement of the pieces on the tables has been completed, the participating model makers will no longer be able to touch or move the models, except with the assistance of the surveillance staff.

PRIVACY PROTECTION

Personal data will be processed according to current regulations, Legislative Decree 196/2003 (consolidated law) and the data provided will in no case be disclosed to others.

The Organizing Committee of the Novegro Model Contest reserves the right to take photographs and video footage of the models exhibited, to have the photographs published in specialized and non-specialised magazines or in books, monographs and other publications on the event, or on its own website and/or on sites linked to the event.

ENTRANCE

All participants will be given a free entry valid for the two days of the event.

ONLINE REGISTRATION

Registrations will be open from 0.00 on February 19th and will close at 0.00 on April 4th.

To register online you must register on the site by clicking on the following link.

[REGISTRAZIONE ON LINE](#)
